

## *NRC's Support for Odesa Flood Recovery*

**KYIV CITY, October 4, 2025** — In NRC, we are deeply devastated by the loss of life and damage caused by the recent flooding in Odesa. Our hearts are broken for the families that have lost loved ones and the communities impacted by these events. We continue to monitor recovery efforts, and we express our deepest gratitude to the local search and rescue teams that continue to search for those who are still missing.

To support the region in its rescue and relief efforts, The NRC Recovery Foundation is donating \$500,000 to the Odesa Community Foundation. Additionally, we have initiated a 2-to-1 donation match for employees contributing to the Odesa Community Foundation, the Ukrainian Red Cross, and other approved and other approved charities.
