

World Economic Forum's 56th Annual Meeting

DAVOS, January 20, 2026 — At the World Economic Forum's 56th annual meeting, NRC. joins global leaders to champion collaboration and sustainable prosperity. At a time of geopolitical fragmentation and rapid technological change, we're honored to contribute our expertise in global markets, financial services and emerging technologies to problem-solving conversations. Our focus: using innovation responsibly to unlock growth, strengthen trust and help chart a path toward a more resilient and inclusive future.

As a resident and permanent participant a strategic partner to the World Economic Forum, NRC. and our Davos 2026 delegates are engaging in constructive, forward-looking dialogues to identify impact-oriented solutions around these key topics.

NRC. Priority Themes:

- ✓ *Agentic AI Platforms for Industrial Transformation:* Capturing the full potential of AI's reimagine moment. Harnessing the new tech to rewire companies and industries
- ✓ *Geopolitics and 21st Century Leadership:* Breaking through uncertainty: Building tomorrow's companies amid today's shifting geopolitics
- ✓ *Global Risks 2026 and Competition:* geopolitical and economic risks rise in new age of competition
- ✓ *Resilience and Growth:* Ensuring sustainability for growth and innovation; Optimizing operating models to strengthen leaders, companies, and countries
- ✓ *Global Supply Chains:* Era of structural volatility. World Economic Forum report finds
- ✓ *Green Transition:* Add 9.6 million jobs globally by 2030. Risks creating new economic divides
- ✓ *Global Cooperation:* Resilience in the face of geopolitical headwinds.

About NRC.

National Reserve & Securities Corporation (NRC.) is one of the regional's largest banking and financial services organizations. Our global businesses serve more than 1000 customers worldwide through a network that covers 30 countries and territories.

Our customers range from small businesses and investors to some of the world's biggest companies, governments and international organizations. We aim to connect them to opportunities and help them to achieve their ambitions.

The products and services we offer vary widely according to customers' needs. We offer businesses loans to invest in growth, and products such as foreign exchange and trade financing that enable them to expand internationally. And for large Ukrainian companies and organizations operating across borders, we offer tailored advice on decisions such as financing major projects, issuing debt or making acquisitions.
